

DAY 2

1. Story time

Re-open <https://www.youtube.com/watch?v=-9FZqX1CBqE> and listen again to the story of *Handa's Hen*. In which continent does Handa live? You could use google maps to find it.

2. Adjectives

Look at the *Animal Pictures* and at the list of *Akeyo's Animal Descriptions*.

- Read each descriptive phrase aloud.
- Suggest other good describing words you could use for each of the animals. What adjectives could you use for the spoonbills and the chicks?
- As an extra challenge, you could use your descriptive phrases in a longer descriptive sentence. Make sure to use capital letters, finger spaces and full stops. You could use 'and' to join your ideas e.g. The fluffy chicks are yellow and cute.
