

DAY 3

Adjectives

Look at the pictures of *Handa and Akeyo's African Animals*. Read each animal's name and choose 4 (or more!) animals to write descriptive sentences about. Try to follow the same structure as the examples below.

The **giant** rhinoceros has a **sharp** and **white** tusk.

The **tall** giraffe has **brown** and **round** spots.

See if you can mark your own work! Have you included:

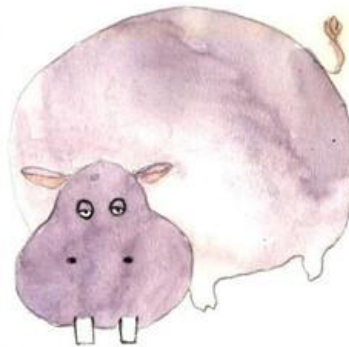

- A capital letter at the start of your sentence.
- Finger spaces between each word.
- A full stop at the end of the sentence.
- 3 adjectives to describe the animal.
- The word 'and' to join 2 adjectives.

Handa and Akeyo's African Animals

rhinocerus

hippopotamus

giraffe

ostrich

crocodile

snake

zebra

lion

**If you prefer,
choose some
different
animals of your
own.**
