

## DAY 3

### My favourite superhero

Think about the famous superheroes you and people in your family know. You can look at the pictures below for some ideas (Bottom half, left to right: The Flash, Captain America, Superman, Cat Girl, Robin, Spider Man). You could of course use the internet to find other images of your chosen superhero.

Choose one superhero to write about and carefully write their name for the title, making sure you begin it with a capital letter. Think of two or more things you really like about the superhero you have chosen. Look at the example below. Make sure to use capital letters, finger spaces and full stops. You will need to use adjectives to describe the superhero. You can also use 'and' to join your ideas and 'because' to explain why.

*Batman is my favourite superhero because he is really brave and I like his cool Batmobile.*
