

DAY 2

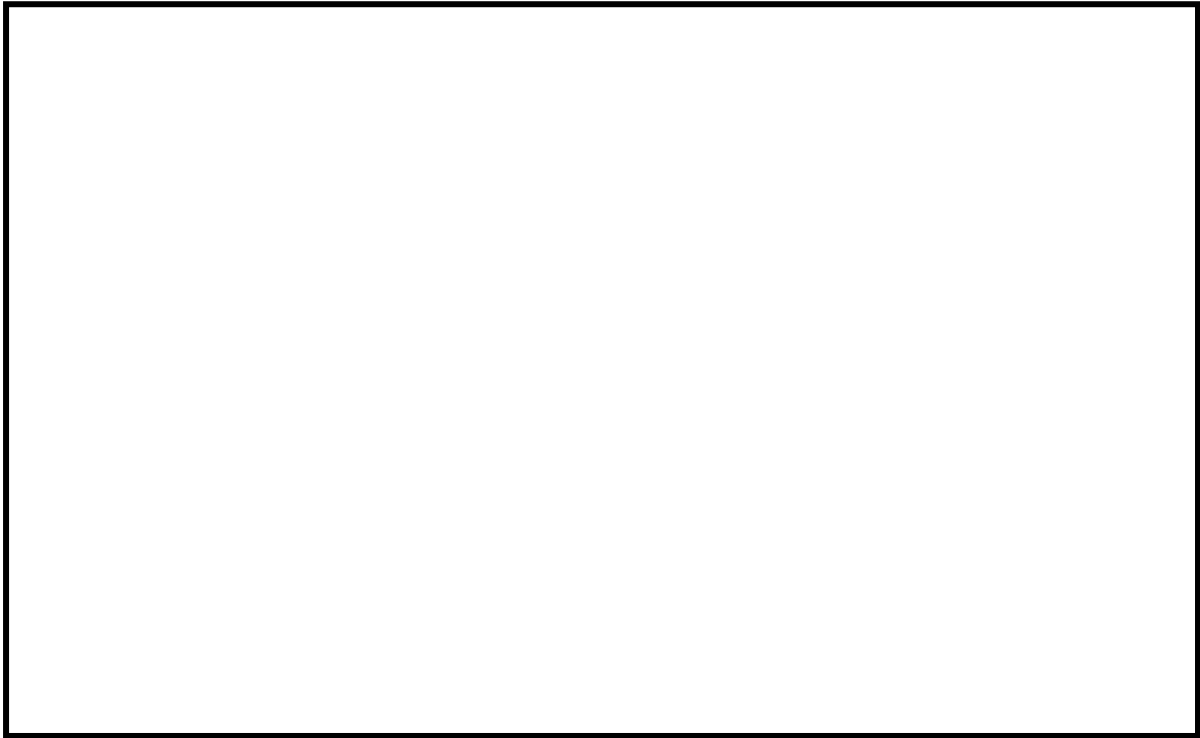

Create your own Superhero!

Today, you are going to create your *own* superhero! Your superhero could be like one of those you have seen in the [Superhero ABC](#). They could be like the famous superheroes or any other superhero you have read about or seen in films, TV programmes or comics.

Carefully fill in all the boxes on your [Superhero ID Form](#) to capture all your fantastic ideas. Use 'doing' verbs to say what your hero's special powers, skills or abilities are. If you like, you can make your own Superhero ID form if you don't want to use the template.

You can draw your own superhero in the box or you might want to print off a picture from the internet. You could use some of the superhero pictures saved on the home learning hub.

My Superhero name is: _____

About my outfit and gadgets:

My superpowers, skills and abilities:
