

Phonics

We suggest that you do phonics every day for 20 minutes. The children need to spend time reading real and nonsense words. We have added a selection of fun phonics games that can be adapted for different words and a selection of games too at the bottom!

This week, please practise all the different ways we can make an 'I' sound (ie, i_e, igh, i and y. As usual please practice the **phase 5 tricky words** (please see the Year 1 homework page on the website for a list of tricky words).
