Dear Parent/Carer,

AFTER SCHOOL CLUBS – Spring Term 2022

We will begin our Spring Term programme of after school activities on **Tuesday, 4th January 2022**. All clubs will begin at 3.30pm and finish at 4.30pm. Attached to this letter is a comprehensive list of the scheduled clubs. Unfortunately, due to budget pressures, we are unable to fully subsidise any of our after schools clubs. **If you would like your child to attend a club, please pay on ParentPay which will be open from 5.00 pm on Friday, 3rd December**. Alternatively, you may request a barcoded letter from the school office. All outside clubs require children to have an outdoor kit. Gloves and a hat (woolly or sun) can also be worn. Please note that places are limited for all the clubs and will be allocated on a first come first served basis. **The maximum number of children per club will be 20 children for most clubs, with the exception of Bushcraft and Science which will be 15**. **If a club is not showing on ParentPay, the club is full and you should return the form at the bottom of this page to the school office so your child can be placed on a waiting list. This form is for waiting lists only**. Be aware your child may not gain a place by the end of the term unless a child pulls out of a club. School reserves the right to withdraw any child who does not comply with the school behaviour policy. Pupils may enrol for as many clubs as they wish. The deadline for payment on ParentPay is **9.00 am on Friday, 10th December 2021**. **If there are not enough children interested in the clubs they will not be viable to run and will be cancelled.**

If you have paid for a club on ParentPay, your child has a place. No other confirmation will be sent to you. Club locations and pick-up points are shown on the attached timetable.

If financial assistance is required please contact school.

Please can we ask that parents and carers avoid using the carpark to pick children up from clubs at 4.30pm. The YMCA gate is open until 5.00pm. Many thanks for your cooperation.

Information about our clubs:

Most of our clubs are £3 per session. However some club leaders charge school different rates. Prices are shown above.

Hip Hop/Street Dance - Fidget Feet Dance School was founded in 2010 by Lauren Haywood. Now a team of 3, they provide fun, energetic hip hop/street dance classes and performances in and around Huddersfield. Styles such as break dancing, house and locking are taught to the children through routines and being able to freestyle. Children are encouraged to express themselves within the dance moves taught whilst gaining new skills and making new friends with the chance to showcase at the end of each block of sessions.

Olympics – mixed sporting activities.

Science Club

These sessions will be delivered by Mini Professors, a provider whose aim is to inject fun into science. In each session they will cover a different topic from air pressure, the lungs, inventions to chemical reactions and even weird science plus lots more! They will have two hands on experiments/activities to get involved with per session, an interactive introduction, bespoke video, story and a song plus lots of fun and laughter.

LEGO Club

The LEGO club involves a mixture of moving Technic LEGO models, imaginative building using Classic LEGO bricks and other fun activities to encourage creativity, co-operation, friendship, problem-solving and teamwork.
