5th February 2026

Dear Parents/Carers,

We've had a great week filled with exciting opportunities and wonderful achievements. Year 3 enjoyed an inspiring visit to Bagshaw Museum to deepen their learning about Ancient Egypt. Our boys' football team proudly represented the school in the Floodlit Cup County final (stay tuned for the result!), and tonight our girls' football team will be taking part in their tournament—good luck, girls! Meanwhile, our Young Voices choir are performing today alongside 6,000 other children in an amazing concert at the Manchester Co-op Arena, creating memories that will last a lifetime.

Farewell Mrs Ogden!

After 24 wonderful years of supporting and inspiring children, it's time for Mrs Ogden to put her pencil case away. We've been so lucky to have her—Mrs Ogden's kindness and dedication have made such a difference to so many children over the years. Wishing you love, laughter and happiness in this next chapter. Thank you for everything.

Year 3 Bagshaw Museum Visit

On Tuesday and Wednesday, Year 3 enjoyed an exciting trip to Bagshaw Museum to enhance their learning about Ancient Egypt. The children had a fantastic time exploring real artifacts, taking part in hands-on activities, and deepening their understanding of this fascinating topic. It was a wonderful couple of days filled with curiosity, discovery, and lots of enthusiasm from all our pupils!

Community Help Needed – Do You Work for a Company That Supports Volunteering?

If anyone works for a company that gives staff time to volunteer on community projects, we would be incredibly grateful for your support. We have a large project in the school grounds that needs some extra hands.

We are hoping to clear an overgrown area in the bottom playground, behind the Year 6 gym equipment and Summersville. At the moment, the space is unusable due to thick ivy, brambles, and general overgrowth. We applied for a grant to transform this space into a *wild play area*, but unfortunately, we were not successful — so now we are looking for help from our wonderful community to make this vision a reality. If you, your workplace, or someone you know may be able to offer volunteer time, tools, or advice, we would love to hear from you. Any ideas or support are very welcome!

Arbor Parent Portal

Recently, we invited parents to login to the Arbor Parent Portal, and we have almost transitioned all parents over onto the new system. If you have yet to do so, please try logging in to the Parent Portal as soon as possible. We will keep you updated on this transition but if you have any issues or questions, please contact the school office via email (office@moorlandsprimary.org.uk).

Bushcraft Space Available

We have a space available on our Wednesday Bushcraft club, if you would like to sign your child up please do so via ParentPay.

WOW – Travel Tracker Update

A huge thank you to everyone who has continued to travel actively to school throughout this month, even with the dreary winter weather! Your dedication is really paying off.

Congratulations to Class 5G, who are our Class of the Month, with an impressive 90% of all possible trips made actively.

As a school, we finished 4th in Kirklees with 64% of all possible journeys recorded as active, and placed 116th nationally, a fantastic achievement! Well done to everyone who helped us climb the leaderboard.

Let's see if we can go even further next month, aiming for the top spot in Kirklees and a rise up the national league table!

Children who have actively travelled at least once a week in January and recorded their journeys on the Travel Tracker will receive this special badge as a reward for their effort and commitment.

Keep up the great work! 🌟

Reception Tapestry Feedback

This year, we have introduced Tapestry as a way of sharing your child's learning journey in Reception, and this is the first time it has been used at our school.

Last week, an email was sent to all Reception parents inviting you to complete a short evaluation questionnaire. We have received some responses so far and, if you have not yet had the opportunity to

complete it and are able to spare a few minutes, we would really value your feedback on your experience of using Tapestry.

Your responses will help us understand what is working well and identify any areas for improvement, ensuring that Tapestry is a positive and effective way of supporting communication and partnership between home and school.

PTA Disco – 12th February- Ticket deadline tomorrow

Our wonderful PTA are once again running their very popular school discos.

Date: Thursday, 12th February 2026

Timings: Reception, Year 1, Year 2, Year 3 – 5.00pm to 6.00pm
Year 4, Year 5, Year 6 – 6.30pm to 7.30pm

Tickets: Tickets are £3 each. They are available to book now on ParentPay.

Ticket deadline: Tickets must be purchased by **9am on 6th February. After this date, it will not be possible for you to buy tickets or to exchange them with someone else.** This is to ensure correct medical/dietary information can be collated in advance of the discos and to enable the PTA to purchase appropriate amounts of refreshments.

Disco Information and Guidelines

We're looking forward to seeing everyone at the upcoming school discos! Here are a few important reminders to ensure the evening runs smoothly:

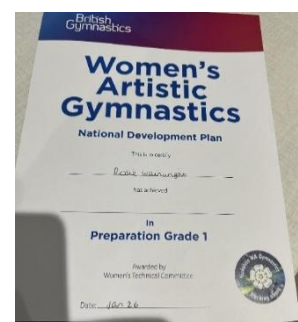

- **Collection:** All children must be picked up after the discos. They will not be permitted to walk home on their own.
- **Medication:** If your child requires any medication (e.g., inhalers), please ensure it is sent with them to the disco.
- **No Mobile Phones:** Please ensure that your child does not bring a mobile phone.
- **Coats:** When dropping off your child, please take their coat home with you and bring it back at pick-up time. Unfortunately, we don't have enough space to store all coats during the event.
- **Stalls:** There will be stalls offering sweets, crisps, drinks, biscuits, small toys, and keyrings for purchase. Please limit the amount of money sent with your child to £5 and, if possible, send it in smaller denominations or change. Free water will be available throughout the event.

We hope your child is as excited about the disco as we are! If you have any questions, feel free to contact us at moorlands.primary.pta@outlook.com. Thank you for your cooperation, and we look forward to a fantastic night!

Shout Outs

Brothers, Kohbi in 6C and Charlie in 3HS won man of the match this weekend whilst playing for their team LMFC. Both scored an amazing goal alongside being the most solid in defence. Keep up the good work!

Rosie in 3HS took her Yorkshire preparation grade one. She passed with working above judgement. A nice reward for all her hard work in the gym. Well done Rose we are very proud of you.

Luke in 2S gained the top award in Squirrel scouts and was presented with his certificate last weekend. He

took part in sessions about many topics and particularly enjoyed the ones about space and healthy eating. He had 2 sleepovers with squirrels and has already moved up to Beavers. Keep up the fantastic work Luke!

Moorlands Star Writer of the Week

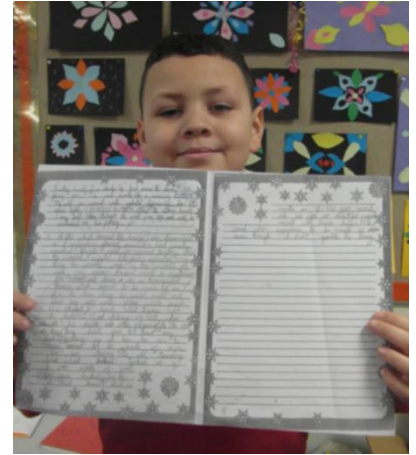

This week's Star Writer is Jacob Bravo from 4CM.

His teachers were so impressed at the skill he

demonstrated whilst describing Ivan's courageous quest to save his younger brother from the evil grasp of Starjik, the cruel villain in The Ice Palace. Jacob's writing manages to create a precise picture of Starjik's lair, with wonderful word choices and interesting sentence structure. Well done Jacob!

All work chosen for Moorlands Star Writer of the Week will be shared on the school website and can be found under the 'Curriculum' tab on the website's main page.

Be sure to keep checking our newsletter and website to see who will be the next Moorlands Star Writer!

Pokemon Primary Schools' Cup County Finals!

They did it! Our amazing Boys Football Team have returned as 2026 Champions, after beating Leeds Scholes! Teams were on an even playing field at half time...then Moorlands took quite the lead! Our Player of the Match, Kai scored an incredible *five goals*, including scoring shot from beyond the halfway line as well as a brilliant goal from Alfie. The final score was an unbeatable 6-2 to Moorlands! What an incredible achievement. Throughout this tournament hard work, teamwork, and determination have truly paid off, and they should be unbelievably proud of themselves, going from the early rounds to the champions! Thank you to Mr Cannon, our dedicated Sports Coach who has supported every step of the way and our wonderful Moorlands families, who without, we couldn't have made it possible. Go Team Moorlands!

UK Parliament Teacher Ambassador Programme

We are very proud of Mrs Freeman, who spent time this week at the Houses of Parliament taking part in the UK Parliament Teacher Ambassador Programme. She has experienced firsthand insights into how Parliament works and practical workshops on democracy and active citizenship. Mrs Freeman will now bring this experience back to school, helping strengthen our School Parliament, promote active citizenship, and support pupils in understanding how they can engage with democracy in meaningful way. We're excited to see the positive impact this will have across our school and wider community!

Behaving the Moorlands Way and Learner of the Week Awards

Each week, two special certificates are awarded in every class: Behaving the Moorlands Way and Learner of the Week. These awards are given to students who consistently demonstrate excellent behaviour and a fantastic attitude towards learning, always doing their best. We are thrilled to announce the recipients of this week's awards.

Anti-Litter Campaign – Banner Competition

We are launching a whole-school Anti-Litter Banner Competition to help tackle the recent increase in litter being thrown onto the top field. Although we contacted the council to request a bin, our application was unfortunately not approved due to cost. As a result, we are turning to pupil voice and creativity to help raise awareness.

All pupils are invited to design a banner with an anti-litter message. The winning entries from KS1 and KS2 will be professionally made into banners and displayed proudly on the top-field fence to remind everyone to take care of our school environment.

Full details can be found on the competition poster.

Thank you for your continued support in helping us keep our school grounds clean and cared for.

New Adult Walking Group – Come and Join Us!

We're excited to launch a new walking group for adults, funded by Project Sport. It's a great way to enjoy fresh air, gentle exercise, and social connection.

When: Thursdays, coffee/tea from 8:45am, walk starts at 9:00am

Where: Meet at Moorlands, at Buckingham Palace (if no dog)

Contact: for further information call 0752862850 or email projectcommunities@outlook.com

Please wear comfortable shoes/trainers.

Dogs Welcome: If you're bringing a dog, please meet at the top of the drive at 9:00am

Walks will finish by 11:00am, and routes will vary depending on attendees. There's no commitment—come along for one walk or make it a regular thing!

Walking Group Survey

We would really appreciate it if families could take a moment to complete our short survey about the Walking Group. You do **not** need to attend the group to take part — the survey simply asks for your preferred days and times so we can make the sessions as accessible as possible for everyone.

Thank you for your support! [Adult Walking Group – Fill in form](#)

What Parents & Carers Need to Know about

OMETV

WHAT ARE THE RISKS?

STRANGER DANGER

While young people generally know not to share personal information with strangers, the safety of their home and the distance offered by technology can make them feel more relaxed and uninhibited. Combined with the fact that OmeTV provides a webcam function – and anonymity – it can be an easy way for groomers to gather information, ask to connect on other social media platforms, or potentially request intimate images.

EXPLICIT CONTENT

Unfortunately, there are a lot of users who use OmeTV's webcam feature to expose themselves. While users can swipe to the next call quickly, it's not something that can be filtered out completely – so young people could easily be exposed to highly inappropriate images.

REPORTING DIFFICULTIES

When video calling, the other person's username is often hidden and therefore they can't be blocked or reported. There is a 'report Abuse' tab at the bottom of the video, but the speed with which calls can swipe past can make it difficult to use this system. There's also little evidence to suggest that offenders are dealt with appropriately (through warnings or account termination, for example).

OmeTV is another app which encourages users to 'make friends from all around the world'. People can search profiles by age and gender and send direct messages or photos. However, the app is primarily used for video calls. When using this feature, users are connected at random, although only their country of origin is shared. People can then either choose to move on to the next chat or can stay in that call for as long as they wish.

AGE VERIFICATION

17+

Although the site states that users must be 18 or over, there's no way to verify this, and it's easy to use an existing Facebook account to log in, or for users to set up a fake account. To access OmeTV, users simply need to press a button confirming they're an adult, which means it's likely many users will claim to be much older than they are.

VIDEO RECORDING

REC

When young people are chatting live on a webcam, they could be coaxed by others into doing things they don't feel comfortable doing, or persuaded that no harm can come from it. What they don't know is whether the other user is recording them. These videos could then be used to embarrass or blackmail them, or they could be kept by a potential online predator.

LIMITED PARENTAL CONTROLS

OmeTV has very limited parental controls. There is a 'safe mode', but this is of little practical use given that explicit content isn't filtered out. While the site lists several rules and regulations, there are few apparent ways to enforce them or restrict what users can see or do.

Advice for Parents & Carers

FOLLOW AGE GUIDELINES

OmeTV has an age recommendation of 18 and over, which suggests the developers are aware that it may facilitate adult content. It's important to adhere to the age guidelines and try to restrict access to the app for younger users. If you find it on an under-18's device, talk to them about the potential risks and explain why they probably shouldn't be using it.

DISCUSS THE DANGERS

Maintain communication with your child about online safety and empower them to protect themselves. Simply deleting an app from their device impacts their independence and can cause resentment. Instead, highlight news reports of predators exposing themselves to children on the internet, and discuss what they should do if asked for explicit images.

DISCOURAGE CHATS WITH STRANGERS

Remind your child of the dangers of talking to strangers online. The anonymity OmeTV offers, plus its webcam function, makes it an attractive place for groomers to network and create inappropriate content. Explain that your child may see something which upsets them – and that it's a crime for anyone to expose themselves to a young person online.

ENABLE PARENTAL CONTROLS

Regardless of how responsible your child may be, it's essential to use parental controls on their device. It's easy for young people to get lured in by others, feeling they've built up a trusting friendship and being coaxed into doing things they wouldn't normally do. Ensure in-app purchases aren't enabled on their device, and emphasise that they can always talk to you about anything online that worries them.

Meet Our Expert

Dr. Claire Bartholomew is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and online behaviour of young people in the UK, USA and Australia.
