27th February 2026

Dear Parents/Carers,

We hope you all had a wonderful half-term break. It has been a fantastic start to the new half term here in school, and we're excited to share some brilliant OPAL developments that have taken place over the holiday.

Over the break, we took delivery of a fantastic new storage unit for our OPAL play equipment (thank you to Mrs Smith and Mrs Robinson for coming in during the holidays to take delivery and sort out the resources). A huge thank you to the PTA for fundraising to make this possible. The new store, now known as "The Stable"—has already made a big difference. The children have absolutely loved exploring the equipment from the Stable as well as playing in the Stable itself!

We would also like to say a big thank you to Heath for supplying us with additional tyres for the top field, along with a giant tractor tyre that now sits proudly in the bottom playground. The children have had a brilliant time climbing in, on and around it this week.

OPAL Equipment Appeal

Now that we have more storage, we're ready to introduce even more exciting play opportunities. Next week we'll be launching den building, and we're hoping to open a new sandpit and mud café before Easter. If anyone has any spare **buckets and spades** or items suitable for our sandpit, they would be gratefully received. We are also on the lookout for **larger construction items**, such as:

- large barrels
- pallets
- milk crates
- large drainage pipes

If you have anything you'd like to donate, please contact the school office. Your support makes a real difference to the children's play experiences.

Disco Success!

A huge thank you to everyone who helped at the disco. The PTA raised an amazing £2,056, which will go straight back into enriching the curriculum and providing exciting opportunities for our children. We really appreciate your support in making the event such a success.

Fruit Shop Payment for Summer Term 2026

If you would like your child to have fruit and healthy snacks from our Fruit Shop during the Summer Term 2026, would you please make a payment of £18.90 via your Parent Pay account no later than **9am 20th March 2026**. This represents a charge of 30p for 1 item every day from our Fruit Shop. Please note that your payment means that your child opts into our Fruit Shop for the full term and, due to the numbers and logistics involved, we are unable to make refunds for absence, etc.

Please be aware that this is a **firm deadline**, once it has passed, we will be unable to add any children to the Fruit Shop list. In past years we have tried to accommodate late additions however due to the volume that we have recently experienced we will no longer be able to do so. We appreciate this may be an inconvenience to some parents but unfortunately it is no longer sustainable for the kitchen to keep up with the constant changes.

Plastic Bottle Recycling Challenge – Let's Get Collecting!

We're excited to share that Moorlands has been invited to take part in a special recycling competition as part of Huddersfield Town's EFL Pledgeball Green Awareness Game on **17th March**, when they play Lincoln City at home.

As a school partner, we have the opportunity to raise awareness about the importance of recycling—and our Eco Committee will be helping to champion the challenge in school!

Bring your bottles from tomorrow!

The competition will run **from Monday 9th to Thursday 12th March**, but children can start bringing in **empty plastic bottles from tomorrow** to help us get ahead.

How it works:

- Children are encouraged to **collect as many empty plastic bottles as possible**.
- We will bag all the bottles ready for collection on **Friday 13th March** by Garry Scott and Andy Booth, who will collect recycling from all participating schools.
- The bags will be weighed to find out which school has recycled the most bottles.

The prize:

The winning school will receive:

- A **state-of-the-art bug hotel**,
- A **feature in the matchday programme**, and
- A **story on the Huddersfield Town website!**

Let's get collecting and see how much recycling we can achieve together!

Anti-Litter Competition

A huge thank you to everyone who took part in our Eco Committee's Anti-Littering Competition. We received some fantastic designs and were really impressed by the creativity and thought that went into each entry. We are delighted to announce that the winning design was created by Sophia in 3M. Her artwork will now be made into a full-size banner and displayed outside school on Moorlands Road. A huge thank you to XL-Print, Huddersfield, for providing the banner. We hope it will help encourage everyone in our community to keep the area clean and reduce litter around the school.

Well done to Sophia, and thank you again to all who entered!

World Book Day – Thursday 5th March 2026

We are looking forward to celebrating **World Book Day** again this year! Children are invited to enjoy a non-uniform day with two fun dress-up options:

Dress-Up Options

Option 1: Wear what you love to read in — cosy pyjamas or a comfy tracksuit.

Option 2: Dress as your favourite book character — Matilda, Mr Bump, The Gruffalo, Cat in the Hat, and many more!

Book Swap

Each year group will take part in a **Book Swap**.

Children can bring in a book from home that they no longer want and exchange it for another within their year group.

Please ensure all books are brought into school by Thursday 5th March.

Book in a Box Competition

Children are invited to enter our creative **Book in a Box** competition.

This is free to enter, and prizes will be awarded for the most imaginative designs.

The challenge: create a scene from your favourite story inside a box — the more creative, the better!

👉 **Completed boxes should be brought into school by Friday 27th February**

👉 **Please label your box with your name and class**

📖 **School Book Fair – Tuesday 3rd March**

As part of the National Year of Reading, we are excited to host a **School Book Fair** in partnership with Usborne representative **Lorna Wray**.

Families are invited to attend *after school from 3:20pm in the School Hall* to browse a wide range of fantastic books.

Why join us?

- Giving children the power of choice helps nurture a love of reading at home.
- Every purchase earns **free books for our school** — Usborne will donate **up to 60% of the total sales value** in additional books for our library.
- Books can be ordered at the fair and paid for by **cash, card or World Book Day tokens (£1 off a book)**.

Please note: Books cannot be taken away on the day — simply complete an order form and your new books will be delivered to school later in the month.

Shout Outs

We are very proud of Willow in 2S who has come into school with 2 medals from her cheerleading group that she got in the half term holidays. She cheerleads with Huddersfield Giants and this was her first performance. She achieved a medal for participation and another as an excellent novice award.

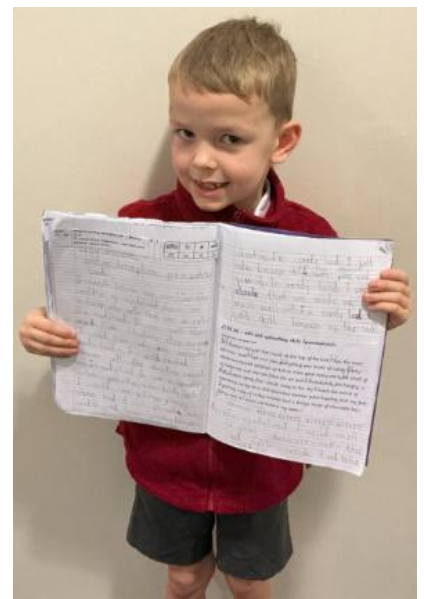

Freddie D in 1SO achieved his puffin award this week at swimming and is almost ready to move to stage 2. Keep up the amazing work Freddie!

Moorlands Star Writer of the Week

A huge well-done to William (2M) for the brilliant progress he's shown in his writing this term. William created a fantastic piece of writing about a fantasy land that came to life through his use of expanded noun phrases and conjunctions! William always remembers his capital letters, finger spaces, and full stops, and he takes real pride in checking over his sentences to make them even better. His handwriting is consistently neat and carefully formed, making his work a joy to read. His growing confidence and care are clear signs of a writer who's really finding his voice. Fantastic work, William!

All work chosen for Moorlands Star Writer of the Week will be shared on the school website and can be found under the 'Curriculum' tab on the website's main page. Be sure to keep checking our newsletter and website to see who will be the next Moorlands Star Writer!

Behaving the Moorlands Way and Learner of the Week Awards

Each week, two special certificates are awarded in every class: Behaving the Moorlands Way and Learner of the Week. These awards are given to students who consistently demonstrate excellent behaviour and a fantastic attitude towards learning, always doing their best. We are thrilled to announce the recipients of this week's awards.

A little bit of information...

We're a West Yorkshire-based charity, supporting children, young people, and families for over 60 years. We focus on wellbeing, mental health, and neurodiversity, and while we work with schools and other organisations, we run things independently. Everything we do is shaped by the families we work with, helping children and young people thrive. Our services include therapy and wellbeing sessions, youth mentoring, and family activities. We also run training for parents and professionals, and pilot projects like [Me + My Normal and Riding the Rapids](#), giving extra support for children with Autism, ADHD, or other needs.

Northorpe Hall are currently offering fully funded places for the following workshops:

[Riding the Rapids | Northorpe Hall](#)

Riding the Rapids

Parenting a child or young person who is autistic, on the pathway to assessment, or has a learning disability can feel overwhelming at times.

Riding the Rapids is a 10-week wellbeing programme designed to help parents and carers better understand their child's emotional needs, reduce stress at home, and feel more confident and supported.

This funded programme is available to eligible Kirklees parents and carers who are currently not in employment, and places are limited.

Online Safety and Guidance

In an ever-changing digital world, we can't stop children from going online, but we can help keep them safe by setting clear guidelines and boundaries. Here are some useful links to support with this, including looking at popular platforms our young people may access, as well as advice on choosing phones and setting guidelines.

Dear Parent/Guardian,

This year is the National Year of Reading, and we are excited to announce, that as part of our World Book Day Celebrations, we will be having a school book fair, on Tuesday 3rd March.

The book fair will be organised in conjunction with our Usborne Partner, Lorna Wray.

We know that by giving children a choice they are more likely to want to read for pleasure at home, so we would love for you to attend with your children after school, 3.20pm onwards in the School Hall to see the variety of fabulous books.

Every book purchased will help go towards brand new FREE books for our school as well. As Usborne will help transform our school library by donating up to 60% of the total book fair sales value raised in FREE BOOKS to the school.

There will be a large variety of books to look at and if you choose to, books can be ordered at the fair and paid for by using cash or card. World book tokens can be used as well to get £1 off a book.

Books are not to be taken away from the book fair, instead you fill in a form and your brand-new books will be delivered to school later in the month.

If you cannot attend the fair or you would like to browse the Brilliant Books beforehand, then please scan the QR code at the top of this letter. This will take you to the full catalogue and Special Offers.

If you wish, you can then place an order at the fair or by:

- 1) Completing the google form: <https://forms.gle/nrWQtsNTtUVyqMd99> or
- 2) Contacting Lorna Wray directly

Please do not order from the Usborne website as this will not link to our school and will not count towards our new books. All orders must be placed by 8pm on Tuesday 3rd March 2026. You will receive your brand-new books by Tuesday 17th March 2025.

We are looking forward to this event and to having more books for your child to read, share and enjoy. For more information and for tailored book recommendations for your child, please contact: Lorna Wray (lorna.wray.books@gmail.com)

What Parents & Educators Need to Know about WHATSAPP

AGE RESTRICTION

13+

WHAT ARE THE RISKS?

GROUP CHAT PRESSURES

Group chats enable multiple users to message in the same space, but this can also make it easier for young people to feel excluded or overwhelmed. Negative comments can escalate quickly, and young people may feel pressure to respond or stay engaged even when the conversation is uncomfortable or upsetting.

SCAMS TARGETING YOUNG USERS

Scammers are increasingly using WhatsApp to trick users into sharing personal information. Common scams include fraudsters posing as family members in an emergency or tricking users into revealing security codes. These can lead to identity theft or access to private conversations.

DISAPPEARING AND HIDDEN MESSAGES

WhatsApp offers features like disappearing messages and 'Chat Lock', which can give users a false sense of security. While intended to protect privacy, they can be used by young users to hide inappropriate conversations or content, making it harder for adults to spot potential issues.

EXPOSURE THROUGH CHANNELS

'Channels' are an optional feature that allows users to follow updates from public figures or organisations; however, there is no way to block this feature or filter its content by age. Young users may encounter adult or distressing content, including misinformation and harmful ideologies.

UNWANTED CONTACT AND LOCATION SHARING

WhatsApp users can share their live location, and if not managed carefully, this can allow others – even those in mutual groups – to track someone's whereabouts. Also, without the right privacy settings, young users may be contacted by strangers.

COMMERCIAL AND AI CONTENT

WhatsApp now includes ads in the 'Updates' feed and has introduced an AI assistant – Meta AI – across the app, which cannot be removed. These additions raise concerns about targeting, privacy, AI use, and the type of content children and young people might interact with.

...ONLINE...

ONLINE

SECRET CODE

Advice for Parents & Educators

REVIEW PRIVACY SETTINGS TOGETHER

Help young users check who can see their profile photo, status, and location. Activate the 'Silence Unknown Callers' setting and set group chat invitations to 'My Contacts' or 'My Contacts Except...' for added safety.

BE OPEN ABOUT HIDDEN CHATS

Discuss why children and young people might use features like disappearing messages or 'Chat Lock'. Encourage them to share if something made them uncomfortable, even if the messages are gone. Let them know that privacy should not mean secrecy.

TEACH HOW TO SPOT SCAMS

Encourage caution around unusual and unexpected messages, especially if they involve money or codes. Help young users understand the signs of scams and what to do if they receive a suspicious message. Enable two-step verification to add an extra layer of protection.

TALK ABOUT ADVERTISING AND AI

Explain that WhatsApp now includes ads and AI tools. Discuss the difference between genuine and sponsored content, and the potential for AI to share inaccurate or age-inappropriate responses. Encourage young users to think critically before trusting or interacting with these features.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.
