25th June 2026

Dear Parents/Carers,

What a hot week it has been, even the sun has needed it's hat on! Thank you to all our parents and carers for ensuring children have been prepared for the warm weather with sun cream, water and hats.

This week we've been out and about: Year 5G visited Oakwell Hall, Year 2 enjoyed a trip to Tropical World in Leeds, and the second half of Year 4 went on their second residential. Children, as always, have been a credit to us here at Moorlands. Read all about their adventures below!

We also ended last week with two fantastic Race Day events. A huge thank you to everyone who came along to cheer the children on, to Mr Cannon, Mrs Fisher and Mrs Woodhouse for organising the events, and of course to all our brilliant children (and grown-ups!) for giving 100% in their races. They were wonderful afternoons.

Good news!

We are incredibly proud to have been awarded the Silver School Mental Health Award, moving on from our previous Bronze achievement. The award, established in 2017 by the Carnegie Centre of Excellence for Mental Health in Schools at Leeds Beckett University in partnership with Minds Ahead, recognises schools that demonstrate a strong commitment to improving mental health outcomes. With over 1,400 schools nationally taking part, this achievement highlights the dedication of the Moorlands team in ensuring a safe, supportive environment where all children can thrive.

Remember, we are always here to support with a range of needs to support Well-Being, please contact your class teacher, or our Senior Mental Health Lead, Mrs Woodhouse

(hwoodhouse@moorlandsprimary.org.uk) should you need any support for you child or family.

We are currently in need of a few additional items for our sand play area, including spades (especially sturdy, long-handled ones) and a large rake for the sand.

This week, we were excited to introduce a new water play area beside the garage. Children can now clip pipes to the wall to create different water runs, as well as enjoy a large slide down the banking. The children have had a fantastic time exploring and playing in this new space!

Cliffe House Trip Two

This week, we were delighted to welcome back our second Year 4 residential group from Cliffe House. The children took part in an exciting range of activities, including orienteering, climbing, the crate stack challenge, monkey tree climbing, fire making, buggy building, mine exploration and a variety of team-building games. They embraced every opportunity, challenged themselves, and were amazing throughout—especially in the sweltering heat. They represented Moorlands wonderfully across the entire trip.

A big thank you goes to the staff who accompanied and supported the children: Mrs McKinna, Miss Smith, Mrs Freeman, Mrs Coletta and Mrs Robinson. Their dedication, encouragement and care made the experience truly special for everyone involved. Photos from the trip will be shared on the website shortly.

All photos from the Cliffe House trips can be found here:

Trip 1 photos are already uploaded and photos from trip 2 will be available by next week.

Tudor Life @ Oakwell Hall

5G had a wonderful trip to Oakwell Hall on Monday, learning about life as a Tudor. We had a tour of the house, including the bedrooms and secret toilet, heard about everyday life for poor and rich Tudors who lived there, learnt about herbs and cooking and also had a go at writing with a quill!

Year 2 Trip to Tropical World, Leeds

On Tuesday 23rd June, Year 2 enjoyed a fantastic school trip to Tropical World in Leeds. The three classes took part in a carousel of exciting activities throughout the day. They explored the fascinating environments of Tropical World, discovering a wide range of plants and animals, before heading to nearby Roundhay Park to enjoy the beautiful outdoor surroundings. Back in the classroom, pupils also took part in an engaging workshop where they learned more about animals and their habitats. Despite the very warm weather, which certainly helped recreate a true tropical climate, all of the children showed great resilience and behaved safely throughout the day. It was a fun-filled experience packed with learning, laughter, and unforgettable memories for everyone involved.

Thank You to Yorkshire Goodies

We would like to extend a huge thank you to Yorkshire Goodies for their generous delivery of a wonderful box of treats for the Moorlands staff. The thoughtful gesture was very much appreciated by everyone and certainly brought a smile to our faces.

We would also like to thank all those who took the time to vote for us in the competition — your support means a great deal to us.

If you would like your child to have fruit and healthy snacks from our Fruit Shop during the Autumn Term 2026, please complete payment on Arbor no later than **9am on Monday 13th July 2026**. The £21.30 cost represents a charge of 30p for 1 item every day from our Fruit Shop. Please note that your payment means that your child opts into our

Fruit Shop for the full term and, due to the numbers and logistics involved, we are unable to make refunds for absence, etc.

Please be aware that this is a firm deadline, once it has passed, we will be unable to add any children to the Fruit Shop list. In past years we have tried to accommodate late additions however due to the volume that we have recently experienced we will no longer be able to do so. We appreciate this may be an inconvenience to some parents but unfortunately it is no longer sustainable for the kitchen to keep up with the constant changes.

Shout Outs

Amelia in 4H took great care of our writing bear, Geoff, last week and noticed that he was missing his clothes. Showing wonderful thoughtfulness and creativity, she designed and made him a beautiful new outfit while looking after him over the weekend. What an impressive effort – well done, Amelia, future fashion designer!

These 3 superstar Lindley Moor footballers from 3HS were proud of their end of season awards this week. Superb! At the weekend, Alistair in 3S won “Most improved player” after a fantastic season. Well done Alistair, what a great representation of Moorlands!

Izzy in 6T competed with the Giants Elite Cheerleading team in Sheffield and came 1st place! Well done, keep up the good work.

A group of our Y1 boys presented their team Laund Hill at their first ever football tournament! They all played fantastically and Laund Hill ended up winning the whole tournament! What a brilliant start to their football careers!

Sports News

Moorlands FC had a fantastic afternoon on Thursday 18th June, winning both of their matches in style. They beat St Joseph's 4–0 before going on to secure an impressive 6–0 victory against Meltham CofE. The whole team played brilliantly, showing great teamwork, effort and positive attitude throughout. At the end of the tournament, our two captains each chose a Player of the Tournament with Kai selecting Grace and Gracie choosing Ashton—both players thoroughly deserved for their excellent performances.

A special thank you also goes to Blake, a former student, who kindly came back to help referee the matches—we really appreciate your support! Well done to everyone involved!

Moorlands Star Writer of the Week

Esme in 2S has been a fantastic writer this term during our Geography learning all about animals and their habitats. She has thoroughly enjoyed the topic and used her knowledge to create detailed fact files full of interesting information.

Did you know that penguins can live for 20 years? Or that the blue whale is the largest animal on Earth? Esme has included these and many more exciting facts in her work!

Her presentation is neat, her letters are well-formed, and she writes in clear, full sentences using capital letters, full stops, and even accurate apostrophes. Well done, Esme—what a brilliant achievement! 🙌

All work chosen for Moorlands Star Writer of the Week will be shared on the school website and can be found under the 'Curriculum' tab on the website's main page. Be sure to keep checking our newsletter and website to see who will be the next Moorlands Star Writer!

What Parents & Educators Need to Know about ONLINE TRENDS ENCOURAGING VIOLENCE

7 out of 10 teens report seeing violent content on social media, with over half of that content featuring fights involving young people. Most don't 'seek' it but are shown it through social media feeds or messaging groups. 91% of young people involved in violence have seen violent social media content. Viral trends, challenges, or 'wars' that are spread online risk encouraging violence offline, while real-world incidents may also be recorded and promoted online.

WHAT ARE THE RISKS?

ALGORITHMIC EXPOSURE

Social media platforms are designed to keep users engaged, meaning dramatic or extreme content can spread widely and quickly. Algorithms often recommend content that reflects users' past interactions. As a result, young people may see more violent material if they have viewed, commented on, or shared it before. Repeated exposure can make violent content appear frequently in their feeds without them fully understanding why.

WEAPONS AND CRIMINAL RISK

Teens exposed to high levels of real-world violence on social media sometimes report feeling an increased need to carry a weapon for 'self-protection'; however, carrying a weapon increases the risk of victimisation (harm and injury by others) for young people. In addition, carrying a weapon is a serious offence that can lead to police arrest and a criminal record.

SHARING VIOLENT CONTENT

Encouraging or assisting an offence is a crime in the UK, including via social media, and can lead to arrest. This means sharing, forwarding, or reposting violent content carries a risk for young people too. Showing examples of content to a trusted adult is appropriate, but young people should take care not to further spread violent material by posting it online or sharing it within large messaging groups.

FEAR, ANXIETY, AND MARGINALISATION

Research shows young people's emotional wellbeing can be negatively impacted by repeated exposure to violent online content, especially when it depicts 'real-world' violence (as opposed to fictional depictions in games or films). Posts featuring weapons, threats, attacks, and fights – or content that appears to glamorise gang activity – can increase feelings of anxiety or fear among young people. Material that encourages violence targeting people because of their identity, such as their nationality or religion, can also create disproportionate harm for children belonging to those groups.

AVOIDANCE AND ISOLATION

Real-world violence on social media can increase young people's belief that their local communities – or the 'outside world' more generally – are unsafe places. This can result in avoidant and isolating behaviours, which may negatively affect their wellbeing. As well as feeling fearful of others, teens also report feeling judged for spending time together in large groups, which may affect their social interactions and leisure time.

Advice for Parents & Educators

STAY INFORMED

Stay alert for updates from police, schools, or local authorities, and follow the advice provided. Be cautious about unofficial accounts, fake content, and misinformation, which can spread quickly online or in chat groups. Ensure you get accurate information from trusted sources and encourage young people to do the same. Remind them never to share violent content online and to speak to a trusted adult instead.

DISCUSS SOCIAL MEDIA

Encourage young people to talk about the content they see online and the effect it can have. This can be an opportunity to discuss topics such as misinformation, AI-generated material, the attention economy, and algorithms, helping them understand how and why extreme content can spread online. Explore tools available to block, report, and remove harmful content, and signpost where to get support and advice, such as reportharmfulcontent.com.

TALK CRIME AND SAFETY

In most of the UK, the age of criminal responsibility is 10 (12 in Scotland). This means there can be serious criminal consequences for carrying a weapon, taking part in violence, or filming or sharing violent content. Discuss the law with young people alongside practical safety strategies. Ask questions such as: "What could you do if you feel unsafe?" Work together on action plans and remind them they can contact a trusted adult or the police if they witness or experience violence.

ENCOURAGE POSITIVE ACTION

Focus on strengthening young people's positive experiences both online and within their local communities. Discuss strategies to reduce negative social media effects, such as time limits, unfollowing certain accounts, or taking breaks from apps. Encourage offline activities such as spending time with friends, visiting local places, and taking part in hobbies that bring them joy, purpose, and connection. Remind them they can seek support with any concerns at any time via childline.org.uk.

Viral Trend Risks Causing Severe Burns to Children

Microwaving NEEDOH Toys and Squishies

Parents and Carers Guide

WHAT YOU NEED TO KNOW

A viral trend is encouraging children to microwave squishy silicone toys, known as NEEDOH toys or squishies, among other names (Jelly Cubes, Nice Cubes) in order to make them softer and more pliable. Often, the packaging warns against this, but children are ignoring it because online videos and trends on TikTok, Instagram and YouTube encourage them to do the opposite. The toy feels cool to the touch after microwaving, but bursts when squeezed, spraying boiling material on hands, neck and face. A child in Bristol was seriously hurt on 4th May 2026 and children in America have experienced significant burns and injuries. This has happened to children as young as seven.

Please note - Your child does not need to have searched for this. The algorithm shows it to children based on other content they have watched.

IF YOUR CHILD HAS ONE OF THESE TOYS

It is natural to feel concerned, but the most important thing is to remain calm. Children are far more likely to talk to you, now and in the future, if they know they will be met with a steady response rather than alarm.

This is also a valuable opportunity. What your child sees online, from friends or from trends, does not always show the full picture or the consequences. Safety conversations are not about restricting their fun, they are about making sure they understand how to protect themselves and others.

STARTING THE CONVERSATION

You do not need to be an expert. A relaxed, open and honest conversation is enough. A few things that can help:

- Use the toy as a natural conversation point rather than sitting them down for a formal talk.
- Tell them simply that children their age have been seriously hurt following this trend. Reality carries more weight than a rule.
- Avoid taking the toy away without explaining why as providing a reason builds trust. Removing it without understanding may lead a child to hide things from you.
- If the toy feels too firm, the manufacturer's recommendation to soften it is to knead it with your hands for a few minutes. Encourage them, or help them, to do this instead.
- If they have already seen the videos, remain calm. The algorithm does its job quietly. What matters is the conversation that follows.

KEY POINTS TO DISCUSS...

You do not need to be an expert. A relaxed, open and honest conversation is enough. A few things that can help:

- The toy looks and feels completely normal after microwaving, the outside stays cool to the touch. But inside, it has reached temperatures as hot as boiling water so when squeezed, it bursts and dangerous hot liquid can explode.
- The injuries include severe burns, potential scarring and in some cases, a risk to eyesight. Some children have been hospitalised because of the trend.
- Remind them it could hurt anyone nearby - a friend, a sibling, whoever is in the room when it bursts.
- Online videos are designed to look like helpful tips, sometimes to get more followers. They do not always show what happens afterwards.
- If a friend suggests trying it, knowing and explaining the real danger makes it much easier for them to say no.
- If they have already tried it, or something has worried them, they are not in trouble. What matters is that they are safe.

If your child is worried or needs help, make sure they know they can always come to you first or an adult they trust. They can also:

- Talk to a trusted adult at school – their teacher, a youth worker or the school Safeguarding Lead or Child Protection Co-ordinator.
- Contact Childline, free, confidential and available any time
- If they have been hurt, seek medical attention straight away - call 999 immediately. Burns from this can continue to cause damage after the initial contact.

Please do not search for this on TikTok or Instagram yourself. Every search feeds the algorithm and makes this content more visible to others. For news coverage, use the links below and share this and our alert with friends and family to raise awareness.

For verified news coverage: [BBC News](#) | [The Independent](#)

If your child has seen these videos or even tried this trend, do not react with panic or anger. That is the response most likely to close the conversation down. Staying calm keeps the door open, and an open door to conversations with adults they can trust is what makes children safer.

SUMMER FOOTBALL FUN WEEK

AT COLNE VALLEY HIGH SCHOOL

GILLROYD LANE, LINTHWAITE, HUDDERSFIELD, HD7 5SP

MONDAY 20TH – THURSDAY 23RD JULY 2026

10:00 am - 3:00 pm (For boys & girls ages 4 - 14)

Dear Parents,

I am pleased to inform you that following the outstanding success of previous courses and the weekly coaching sessions, we are organising the 2026 summer football fun week.

The children will be coached by CRB POLICE CHECKED and F.A. QUALIFIED COACHES INCLUDING EX-PROFESSIONAL FOOTBALLERS who are used to working with and bringing the best out in children. The coaches will develop self-confidence and self esteem through encouragement and positive reinforcements. FOOTBALL IS NOT JUST FOR THE STAR PLAYERS!

The camp is tightly structured with the players fully supervised at all times. All children are catered for from the absolute beginner to the more experienced players. Players are grouped together according to age, ability and experience. We have fantastic facilities including the indoor sports hall and outdoor 3-G pitch.

The camp is for 4 days from 10:00am - 3:00pm with lunch from 12:15 - 1:00pm where the children can eat a packed lunch brought from home. The camp is fully supervised so children may be left in our care, however parents are welcome to stay and watch if they wish to. On Thursday at 2:00pm there is a presentation when parents and friends are most encouraged to come and see the players receive their awards.

The cost of the camp is £80 (We also offer £20 DISCOUNT (£60) for the second and subsequent children in the same family, which covers all coaching, referees, trophies, certificates and many other awards presented. Single days will be charged at £25 per day if a child is attending less than 4 days. ALL CHILDREN ARE GUARANTEED TO RECEIVE AT LEAST ONE TROPHY AND CERTIFICATE.
