2nd July 2026

Dear Parents/Carers,

We have really enjoyed the cooler weather this week, with learning and playtimes feeling much more comfortable in typical June temperatures. That said, we certainly made the most of last week's sunshine! The week ended with plenty of laughter as children cooled off with hosepipes and water guns, soggy but great fun for everyone involved.

With the warmer weather continuing, please remember to send your child into school wearing suncream and a hat so they can stay safe while enjoying time outdoors.

Despite the intense heat on Friday, many children took the opportunity to visit the Year 6 enterprise stalls as part of the Tenner Challenge. Well done to all the pupils who worked so hard to create such imaginative and exciting stalls.

This week has been just as busy and enjoyable. On Monday, our Year 5/6 MPs and select committee members attended a MAT Democracy event. On Tuesday, Year 4 pupils took part in the National School Sports Week activities at Leeds Road Playing Fields. Wednesday saw Year 5 attending a Careers Fair, broadening their understanding of future opportunities. To round off the week, we celebrated the Moorlands Got Talent Final today, a fantastic showcase of talent!

Transition Day – Wednesday 8th July

On Wednesday 8th July, while most of our Year 6 pupils are attending their transition visits to Salendine Nook High School, children across the rest of the school will also be taking part in their own transition activities.

As part of this day, our current Year 2 and Year 4 pupils will move into their new class groups in preparation for September. This will give all children the opportunity to spend time in their new classrooms, meet their new teacher, begin building positive relationships, and experience some of the exciting learning planned for the year ahead.

It promises to be a valuable and enjoyable day for everyone involved.

Year 6 Inspired by Textile Artist Julia Roebuck

This week, Year 6 were delighted to welcome textile artist **Julia Roebuck** into school as part of their Art History textiles project.

The children have begun exploring the idea that protest does not always have to be loud to be powerful. Sometimes, it can whisper. They learned about **Craftivism** – a form of peaceful protest that combines creative crafts such as sewing, knitting and textiles with activism to communicate important messages and inspire change.

Throughout this half term, Year 6 have learnt about a range of significant historical protests and the different methods people used to make their voices heard. They learnt about the tragic events of the **Peterloo Massacre** and discovered how local people in Yorkshire created the **Skelmanthorpe Flag**, a secretly stitched symbol of hope and resistance. The children will also explore the campaign for women's suffrage, examining both the direct actions of the suffragettes and the peaceful persuasion used by campaigners fighting for the right to vote.

Drawing inspiration from these historical events, the children worked alongside Julia to plan, design and create their own gentle protest artworks based on causes they care about. Through this project, they will learn how creativity and craftsmanship can be used as powerful tools for expressing ideas and making their voices heard.

Julia brought along a beautiful collaborative quilt to inspire the children and shared examples of her work. She then guided them through the design process, helping them develop ideas for their own protest banners. We are excited to see how their creative projects develop over the coming weeks.

🌞 WOW Travel Tracker – June Update 🌞

A huge thank you to all our families who actively travelled to school in June, your efforts are making a real difference!

👏 Well done to Class 3M, our Class of the Month, who achieved an impressive 82% of 660 possible journeys recorded, with an outstanding 97% being active journeys. Fantastic work!

🚶🚲 As a school, Moorlands ranked 391st nationally and 9th in Kirklees, with 52.4% of journeys made actively. This is a great achievement, but we would love to climb even higher up the leaderboards next month!

Let's keep the momentum going, please continue to encourage active travel to school wherever possible. Walking, cycling, or scooting brings many benefits, including:

- Improved health and wellbeing
- A positive start to the school day
- Valuable family time to chat before school

Together, we can make an even bigger impact in the months ahead. Thank you for your continued support!

Year 6 £10 Challenge

A fun day was had by all last Friday as Year 6 held their £10 challenge stalls. Each year group had the opportunity to come and spend their money at the stalls. There was a wide range of items to buy ranging from: bracelets, crochet, origami and keyrings; plus many exciting fairground style games to try your hand at such as: penalty shootout, hoopla, cricket wicket, bean bag throw and much more! Thank you to all our Year 6 children and their families for their hard work in making the stalls such a success and to all the children and families who spent money on the day. Altogether they raised an amazing £1469.22 which will be shared equally between the Year 6 chosen charity, Martin House Children's Hospice and the school fund (some of which has been used to pay for the DJ at our upcoming Year 6 leavers disco.)

Democracy MAT Event

On Monday 14th, Year 5 and 6 members of our School Parliament, alongside some of our Select Committee members, took part in a Democracy MAT event with our partnership schools. During the event, the children shared ideas and discussed how we can work collaboratively to support our community.

The event was attended by the Greenhead councillors, Luc Bride from Kirklees, and Michelle Ross from the Kirklees Democracy Team. As always, our pupils represented the school exceptionally well, demonstrating maturity, enthusiasm and a strong sense of responsibility. We look forward to continuing our work with the other schools in the Heritage MAT.

Year 5 Careers Event Success!

On Wednesday 1st July, our Year 5 children took part in our annual careers event to explore different career paths for their futures.

The children incredibly well-behaved and engaged, asking our guests fantastic, thoughtful questions throughout the day.

We would like to say a huge thank you to the wonderful volunteers who gave up their time to inspire our pupils. Thank you to:

- **Emergency & Community Services:** Our local PCSOs, Phil (Police), St John Ambulance, and the RNLI
- **Healthcare & Wellbeing:** Locala, Jack (Radiotherapist), and Gemma Johnson PT
- **Engineering, Tech & Design:** Callum (Design Engineer), Andrei (Computer Software), and Marsh Design
- **Environment & Charity:** Kirklees Recycling and The Welcome Centre
- **Education:** Lynsey (Teaching)

Year 3 History Workshop

Year 3 thoroughly enjoyed a special visitor who came to teach them all about the Ancient Maya who lived in Mesoamerica. They handled and drew ancient Maya artefacts and had a 'beat the teacher' quiz! The children won! Later, they explored Maya games, maths systems and calendar systems. In the afternoon they learnt about Ancient Maya weapons including javelins and obsidian swords. The day ended with some games of Pok-a-Tok and true to ancient Maya rules children could only use their elbows, hips and knees to pass and score. Year 3 were incredible historians for the day - listening well and sharing lots of their knowledge.

OPAL Playtimes Update

A big thank you to everyone for your generous donations towards our OPAL (Outdoor Play and Learning) playtimes – your support makes a real difference!

We are currently in need of a few additional items for our sand play area, including spades (especially sturdy, long-handled ones) and a large rake for the sand.

We also have some lovely volunteers coming into school on Monday 13th July to create some new exciting spaces. We need lots of pallets to build the spaces. If you have any pallets, we would very much appreciate the donation.

Sweet Stall- TOMORROW

The PTA will be in the playground on Friday 3rd July after school with a stall full of sweets and treats. Prices range from 30p up to £3 and you can pay by cash or card. *Come along and pick up some tasty treats while stocks last!*

Autumn After School Clubs

Our Autumn term after school clubs are live on Arbor and quite a few clubs are already full! Each club will remain open until they are full. As always if you have any questions, please feel free to contact the school office.

Autumn Term Fruit Shop – Years 3-6 only

If you would like your child to have fruit and healthy snacks from our Fruit Shop during the Autumn Term 2026, please complete payment on **Arbor** no later than **9am on Monday 13th July 2026**. The £21.30 cost represents a charge of 30p for 1 item every day from our Fruit Shop. Please note that your payment means that your child opts into our Fruit Shop for the full term and, due to the numbers and logistics involved, we are unable to make refunds for absence, etc. **Please be aware that this is a firm deadline**, once it has passed, we will be unable to add any children to the Fruit Shop list.

Shout Outs

Brilliant news for 4CM's Luca and Josh at the Lindley Moor U9s football presentation! Luca won Coaches' Player of the Season and Josh won Players' Player of the Season. A great year of football had!

At the weekend, Saoirse (4CM), performed four of her dances in a competition and got medals in both her Ballet and Tap solos. She's working so hard at the moment and it's all paying off. Well done Saoirse.

Grace (4W) and India (5W) competed in a dance competition over the weekend with Fidget Feet. They did amazing and got 1st place with their Duo together and 2nd place in their Secret Titans dance crew, Grace also got 1st place in the Freestyle Solo for her age category.

Margot (1P) performed at the Lauren Faye dance competition at the weekend. She performed a song and dance from Shrek the Musical as Princess Fiona. It was the first time Margot had performed this routine on stage, and she came 2nd!

Sports News

On Tuesday, our Moorlands 7's Football Team put in an excellent performance against Reinwood, securing an impressive 5–1 victory. Congratulations to our goal scorers, Mya (6S), Freddie (5W), and Alfie (5F), who all played a key role in the team's success.

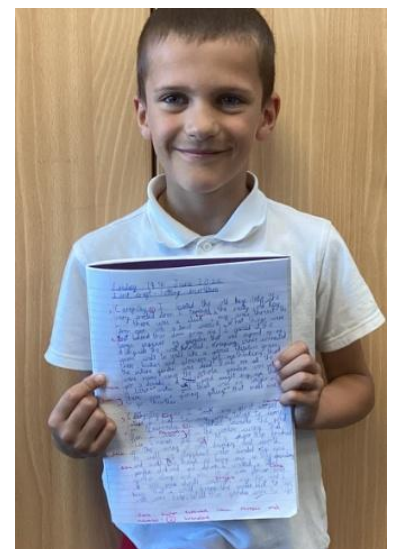

Captain Freddie selected Mya as his Player of the Match, while Captain Lydia awarded her Player of the Match to Alfie in recognition of their outstanding performances.

This fantastic result means that both of our Mixed Football Teams have now qualified for the finals. Well done to all of the players, and we wish them the very best of luck in the next stage of the competition!

Moorlands Star Writer of the Week

A huge congratulations to Frankie for producing a superb setting description of the Secret Garden. He has used a wide range of expanded noun phrases and prepositions to create a vivid picture in the reader's mind. Frankie also thought carefully about describing the garden using four of his senses, helping to bring the setting to life and making his writing engaging and imaginative. Fantastic work, Frankie – keep it up! All work chosen for Moorlands Star Writer of the Week will be shared on the school website and can be found under the 'Curriculum' tab on the website's main page. Be sure to keep checking our newsletter and website to see who will be the next Moorlands Star Writer!

Behaving the Moorlands Way and Learner of the Week Awards

Each week, two special certificates are awarded in every class: Behaving the Moorlands Way and Learner of the Week. These awards are given to students who consistently demonstrate excellent behaviour and a fantastic attitude towards learning, always doing their best. We are thrilled to announce the recipients of this week's awards.

Join the Summer Reading Challenge at Kirklees Libraries!

Looking for a fun way to keep children reading over the summer holidays? Why not take part in the **Summer Reading Challenge 2026 – Read to the Beat** at your local Kirklees Library?

This year's Challenge celebrates the exciting connection between **stories and music**, encouraging children to explore how reading and songs can spark imagination and creativity. The theme is brought to life through colourful illustrations by award-winning author and illustrator **Harry Woodgate**.

Taking part is easy:

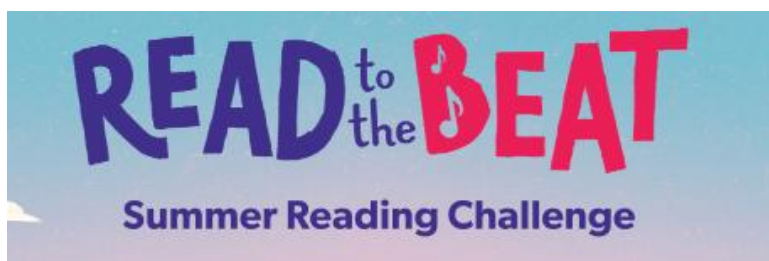

- Sign up at your local library.
- Set a reading goal and read anything you enjoy.
- Visit the library as you finish books to collect rewards and celebrate your progress.

The Summer Reading Challenge is free to join and is a fantastic way to help children maintain their reading skills, discover new books and have fun throughout the holidays. It is delivered by **The Reading Agency in partnership with public libraries**

across the UK. Visit your local Kirklees Library to sign up and get started, or find out more at:

<https://summerreadingchallenge.org.uk/>

Read, discover and enjoy a summer full of stories! 📖 🎵

Viral Trend Risks Causing Severe Burns to Children

Microwaving NEEDOH Toys and Squishies

Parents and Carers Guide

WHAT YOU NEED TO KNOW

A viral trend is encouraging children to microwave squishy silicone toys, known as NEEDOH toys or squishies, among other names (Jelly Cubes, Nice Cubes) in order to make them softer and more pliable. Often, the packaging warns against this, but children are ignoring it because online videos and trends on TikTok, Instagram and YouTube encourage them to do the opposite. The toy feels cool to the touch after microwaving, but bursts when squeezed, spraying boiling material on hands, neck and face. A child in Bristol was seriously hurt on 4th May 2026 and children in America have experienced significant burns and injuries. This has happened to children as young as seven.

Please note - Your child does not need to have searched for this. The algorithm shows it to children based on other content they have watched.

IF YOUR CHILD HAS ONE OF THESE TOYS

It is natural to feel concerned, but the most important thing is to remain calm. Children are far more likely to talk to you, now and in the future, if they know they will be met with a steady response rather than alarm.

This is also a valuable opportunity. What your child sees online, from friends or from trends, does not always show the full picture or the consequences. Safety conversations are not about restricting their fun, they are about making sure they understand how to protect themselves and others.

STARTING THE CONVERSATION

You do not need to be an expert. A relaxed, open and honest conversation is enough. A few things that can help:

- Use the toy as a natural conversation point rather than sitting them down for a formal talk.
- Tell them simply that children their age have been seriously hurt following this trend. Reality carries more weight than a rule.
- Avoid taking the toy away without explaining why as providing a reason builds trust. Removing it without understanding may lead a child to hide things from you.
- If the toy feels too firm, the manufacturer's recommendation to soften it is to knead it with your hands for a few minutes. Encourage them, or help them, to do this instead.
- If they have already seen the videos, remain calm. The algorithm does its job quietly. What matters is the conversation that follows.

Produced by the INEQE Safeguarding Group and Safer Schools. Share freely with parents and carers. For safeguarding concerns, contact your Safeguarding Lead or Child Protection Co-ordinator, www.ineqe.com

KEY POINTS TO DISCUSS...

You do not need to be an expert. A relaxed, open and honest conversation is enough. A few things that can help:

- The toy looks and feels completely normal after microwaving, the outside stays cool to the touch. But inside, it has reached temperatures as hot as boiling water so when squeezed, it bursts and dangerous hot liquid can explode.
- The injuries include severe burns, potential scarring and in some cases, a risk to eyesight. Some children have been hospitalised because of the trend.
- Remind them it could hurt anyone nearby - a friend, a sibling, whoever is in the room when it bursts.
- Online videos are designed to look like helpful tips, sometimes to get more followers. They do not always show what happens afterwards.
- If a friend suggests trying it, knowing and explaining the real danger makes it much easier for them to say no.
- If they have already tried it, or something has worried them, they are not in trouble. What matters is that they are safe.

If your child is worried or needs help, make sure they know they can always come to you first or an adult they trust. They can also:

- Talk to a trusted adult at school – their teacher, a youth worker or the school Safeguarding Lead or Child Protection Co-ordinator.
- Contact Childline, free, confidential and available any time
- If they have been hurt, seek medical attention straight away - call 999 immediately. Burns from this can continue to cause damage after the initial contact.

Please do not search for this on TikTok or Instagram yourself. Every search feeds the algorithm and makes this content more visible to others. For news coverage, use the links below and share this and our alert with friends and family to raise awareness.

For verified news coverage: [BBC News](#) | [The Independent](#)

If your child has seen these videos or even tried this trend, do not react with panic or anger. That is the response most likely to close the conversation down. Staying calm keeps the door open, and an open door to conversations with adults they can trust is what makes children safer.

Why not

JOIN THE BAND?!

Tower Brass Community Band welcomes everyone to play, learn and have fun together, encouraging happiness and achievement in equal measure.

We practise every term-time Wednesday from 6.30 – 7.30 at the home of Lindley Band, who support us with expert guidance and opportunities to perform.

<https://www.thelindleyband.net/tower-brass/>

Shy?
Community, inclusion and participation are amongst the key words that define being part of this band. It caters for people of all ages, abilities, race, gender and aims to provide a safe, nurturing environment.

TOWER BRASS

No instrument?
Some have their own, but Tower Band offer participants the opportunity to loan an instrument for free. All that the band require in return is regular participation in rehearsals and, more importantly, to enjoy music making.

SUMMER FOOTBALL FUN WEEK

AT COLNE VALLEY HIGH SCHOOL

GILLROYD LANE, LINTHWAITE, HUDDERSFIELD, HD7 5SP

MONDAY 20TH – THURSDAY 23RD JULY 2026

10:00 am - 3:00 pm (For boys & girls ages 4 - 14)

Dear Parents,

I am pleased to inform you that following the outstanding success of previous courses and the weekly coaching sessions, we are organising the 2026 summer football fun week.

The children will be coached by CRB POLICE CHECKED and F.A. QUALIFIED COACHES INCLUDING EX-PROFESSIONAL FOOTBALLERS who are used to working with and bringing the best out in children. The coaches will develop self-confidence and self esteem through encouragement and positive reinforcements. FOOTBALL IS NOT JUST FOR THE STAR PLAYERS!

The camp is tightly structured with the players fully supervised at all times. All children are catered for from the absolute beginner to the more experienced players. Players are grouped together according to age, ability and experience. We have fantastic facilities including the indoor sports hall and outdoor 3-G pitch.

The camp is for 4 days from 10:00am - 3:00pm with lunch from 12:15 - 1:00pm where the children can eat a packed lunch brought from home. The camp is fully supervised so children may be left in our care, however parents are welcome to stay and watch if they wish to. On Thursday at 2:00pm there is a presentation when parents and friends are most encouraged to come and see the players receive their awards.

The cost of the camp is £80 (We also offer £20 DISCOUNT (£60) for the second and subsequent children in the same family, which covers all coaching, referees, trophies, certificates and many other awards presented. Single days will be charged at £25 per day if a child is attending less than 4 days. **ALL CHILDREN ARE GUARANTEED TO RECEIVE AT LEAST ONE TROPHY AND CERTIFICATE.**
